

General Instruction for Recurrent Cabin Crew Online Training

1. The following 12 online courses are to be taken by all ET's cabin crewmembers as a requirement to be enrolled to the final class room training.
2. All cabin crew members shall attend all the courses as per the sequence shown in the course list below.
3. With the completion of the on-line training, certificate of completion which will be used as a prerequisite for the classroom training is issued for each and every attendee online.
4. The learners have to navigate and read through all the slides to complete the training. The navigation buttons are set not to allow the learner to jump ahead. But it is possible to go back to review again to previous slides.
5. The whole online training will take around 7 hours to complete.
6. The learners may contact Instructor KOKEB AYELE KokebA@ethiopianairlines.com or FIKER WOUDU FIKERW@ethiopianairlines.com (Tel. 8752) for any question they might have on the online-training.
